

THE CITY OF SAN DIEGO

NOTICE

DATE: April 4, 2012
TO: Distribution
FROM: James Nagelvoort, City Engineer
SUBJECT: Balboa Park 2015 Centennial Construction Moratorium

The Balboa Park 2015 Centennial events are scheduled to take place starting in December 2014 and ending in January 2016. Therefore, to accommodate the volume of people attending events in the park, there will be a construction moratorium during this period beginning December 1, 2014 and ending January 15, 2016. Attached is a map identifying the moratorium area. The moratorium prohibits construction in the public rights-of-way including travel lanes, parking lanes and pedestrian walkways.

Construction in the right-of-way within the moratorium area will only be allowed on an exception basis, if work can be accomplished within periods when no events are scheduled. Applications for exceptions will be processed through the existing Traffic Control Permit process and will be subject to approval of the City Engineer. The schedule of events for the celebration will be published later this year.

If this notification applies to others in your organization, please pass this along to them. Your cooperation in rescheduling your construction activities is greatly appreciated. If you have any questions, please contact Ali Sabouri at 619-446-5359 for private development work and Dino Ciafre-Garay at 858-495-4741 for City projects.

Sincerely,

James Nagelvoort, P.E.
City Engineer
